

# Health Plans *in Northeast New York*

## Basic Services

All health plans provide the same physical health care services such as — doctor visits, hospital stays, emergency care, dental care, vision care, medications and other basic health care.

## Other Services

Health plans provide mental health, substance use services and nursing home stays. Plans cover home and community-based services for members who are eligible for these services.

## Doctors & Hospitals

Health plans work with a group of doctors, clinics, hospitals and other service providers. Our counselors can tell you if a health plan works with a doctor or other provider you see now.
